POWERplus® Stingray

Mini Solar LED FLASHLIGHT

Enjoy the freedom of mobile light wherever you go.

The powerful solar cells of the Stingray charge the internal eco-friendly rechargeable battery quickly and efficiently.

With 2 LED's using the latest lighting technology, the Stingray gives a powerful light.

Through it's handy key chain design you can take the POWERplus® Stingray everywhere.

Due to the compact size of the Stingray (6,6 x 3,8 x 1,4 cm), this solar flashlight can fit into any pocket or be attached to a key ring ready for use whenever or wherever you need a powerfull light.

Solar charging

2 Ultra Bright LED's

Integrated key chain
